

Take your practice to the **NEXT LEVEL**

Take advantage of grant-funded resources offered to:

- **Prepare for value based payment**
- **Improve management of cardiovascular risk (CVD)**

Benefits to Practices

1. Practice coaching and facilitation to improve management of cardiovascular disease
2. Utilization of EHR to improve cardiovascular measures reporting
3. Continuing education credits and Maintenance of Certification (MOC) part IV
4. Latest evidence based information on cardiovascular disease prevention delivered directly to practices
5. Expert coaching and support by trained practice facilitators and UNM Health Extension Regional Officers (HEROs)
6. Nine months of no-cost practice facilitation

What is Expected of Practices

1. Identify a practice team to work with ENSW for the nine-month project period
2. Complete practice assessments at regular intervals
3. Collect, review and report ABCs of heart health measures quarterly
4. Participate in two all-day, face-to-face collaborative learning sessions
